2. Une fois dans l'option des prix, cliquer « Educational »

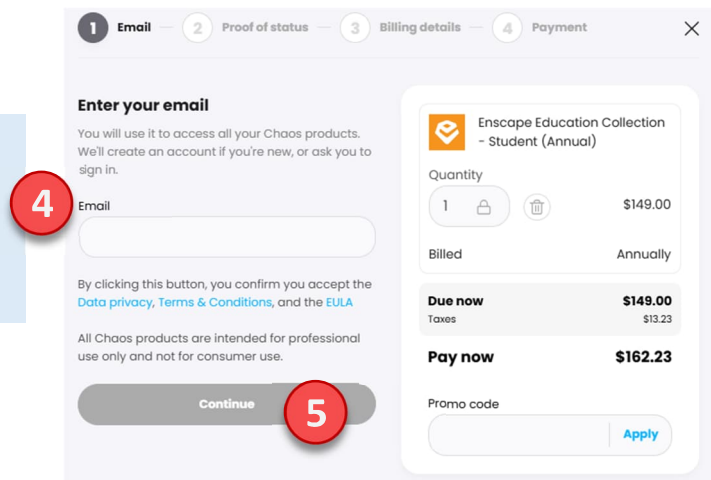

The screenshot shows the Chaos Enscape website's pricing page. At the top, a banner reads "Buy Chaos products online." Below this is a navigation bar with tabs for "Architectural design", "Architectural visualization", "Media & entertainment", "Product design", and "All products". A red box highlights the "Educational" tab, which is selected. Below the navigation bar, the "Pricing" section is displayed. It includes a "Plans" section with "Monthly" and "Annual" options, and a "Number of licenses" selector set to "1". The "Always included" section lists benefits: "Free learning resources, support & community access", "14-day money back guarantee", and "Continuous updates". Three license plans are shown: "Enscape Solo" (US \$ 47⁹⁰/month), "Enscape Premium" (US \$ 52⁹⁰/month), and "ArchDesign Collection" (US \$ 94⁹⁰/month). Each plan has a "Named license" or "Floating license" dropdown and an "Add to cart" button. A red box highlights the "Educational" tab in the navigation bar, and a red circle with the number "2" is placed next to it.

The screenshot shows the 'Payment' step of a checkout process for Enscape Education. The page has a top navigation bar with four steps: 'Email', 'Proof of status', 'Billing details', and 'Payment' (the current step, highlighted with a '4').

Billing information: A text box contains the message: 'This email will be used to activate your newly created account and access your products.' Below it is a 'Change' link.

Payment method: A dropdown menu is set to 'Credit/Debit card' (callout 19). Below this, 'Card type' shows icons for VISA, Mastercard, AMEX, and DISCOVER. 'Card Number' is a text input field. 'Expiration Date' has two dropdown menus, both set to '- Select One -'. 'CVV' is a text input field. 'Cardholder Name' is a text input field with a small icon to its right (callout 20).

Product summary (right side): Shows 'Enscape Education Collection - Student (Annual)' with a quantity of 1 and a price of \$149.00. It is billed annually. The 'Due now' amount is \$149.00, with taxes of \$13.23. The 'Pay now' total is \$162.23. There is a 'Promo code' field with an 'Apply' button.

Callout 21: A large blue button at the bottom right says 'Pay \$162.23'.

Installation Enscape

Enscape est un module (plugin) qui est complémentaire à Sketchup.

Tu dois donc avoir **déjà installé Sketchup** avant pour être en mesure d'y ajouter Enscape.

Les instructions d'installation et de démarrage du module Enscape dans Sketchup sont disponibles sur le site du fabricant via ce lien :

Enable Enscape

This page provides information on how to enable Enscape in SketchUp.

Overview

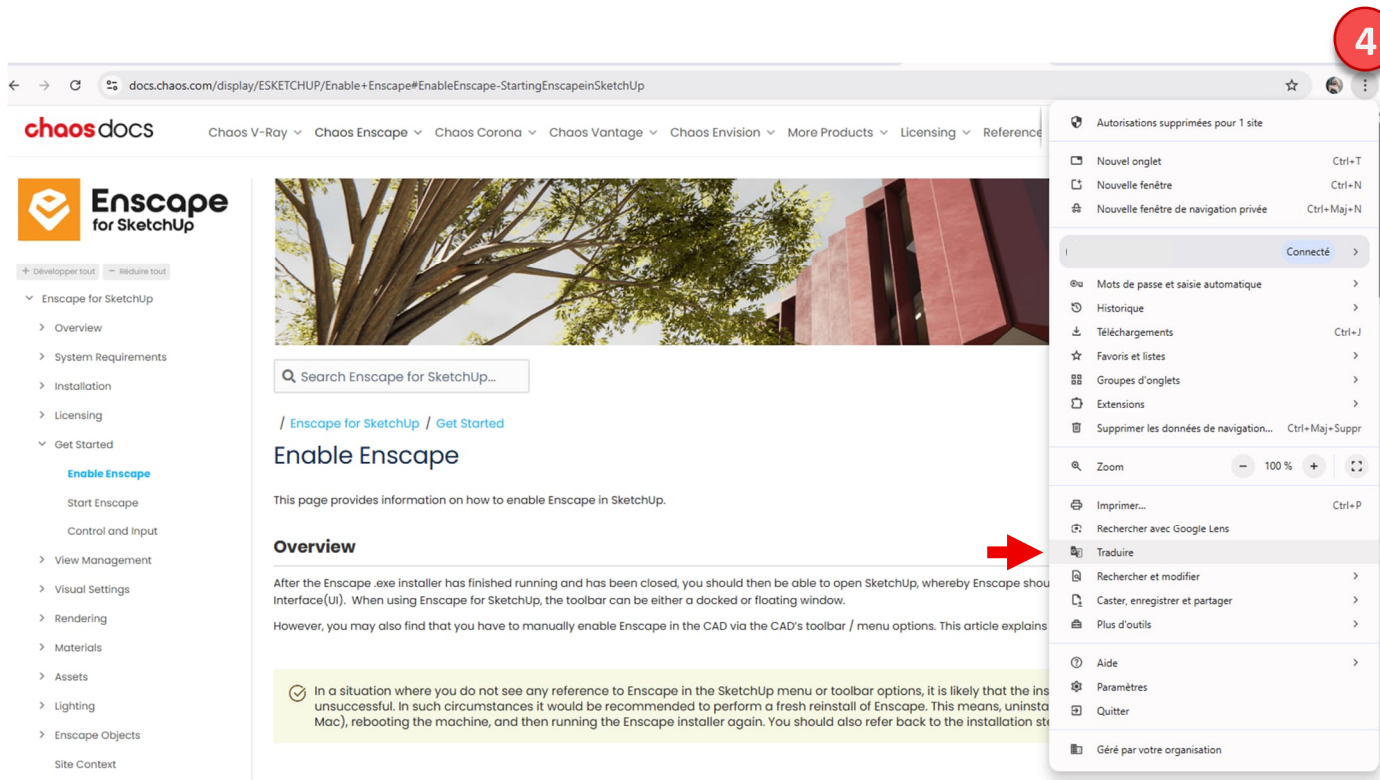

After the Enscape .exe installer has finished running and has been closed, you should then be able to open SketchUp, whereby Enscape should then be visible as a toolbar in the SketchUp User Interface (UI). When using Enscape for SketchUp, the toolbar can be either a docked or floating window.

However, you may also find that you have to manually enable Enscape in the CAD's toolbar / menu options. This article explains how that is done for SketchUp.

✓ In a situation where you do not see any reference to Enscape in the SketchUp menu or toolbar options, it is likely that the installation is corrupt or was somehow unsuccessful. In such circumstances it would be recommended to perform a fresh reinstall of Enscape. This means, uninstalling Enscape completely (by removing it from Mac), rebooting the machine, and then running the Enscape installer again. You should also refer back to the installation steps, found [here](#).
